Men's Measuring Directions

Neck: Measure around the base of the neck, round up to the next 1/2".

Chest: Measure around the chest right under the arms and across the shoulder blades, over a shirt if belly is larger than the chest; choose the larger size.

Waist: Measure around the waist at the level you normally wear your pants, over a shirt.

Hip: Standing with feet together, measure around the fullest part of your hips, parallel to the floor.

Inseam: Measure a good-fitting pair of pants along the inseam, from crotch seam to bottom edge.

Sleeve: Bend arm and place fist on hip. Measure from center back of neck, across shoulder and down arm to elbow and then wrist. This is your sleeve length.
