Follow these steps to confirm it's authentic 3M™ Scotchlite™ Reflective Material

1. Stand approximately 10 feet away from garment.
2. Hold a flashlight or flashlight app on your mobile phone directly in front of your nose, and aim it toward the garment.
3. Take a few steps forward or backward, as optimal viewing distance will vary based upon room illumination and the brightness of your light source.
4. The 3M logo will appear in a continuous, bidirectional pattern to validate you are looking at authentic 3M™ Scotchlite™ Reflective Material.
